Retirement or removal of facilities and equipment owned by the Cooperative.

Section 6 of the Rules and Regulations of the Cooperative are written to address procedures for the discontinuance of service. Subsection H, specifically addresses the removal of the Cooperative's facilities and equipment. The regulation states that the facilities and equipment will be removed after the Member has ceased accepting electric service or the Cooperative has discontinued electric service to the Member for whatever reason for an extended period of time. The extended period of time is defined as one (1) year without continuous electric service.

I, _____ understand this policy and acknowledge that if electrical service to this service point is not reconnected on or before _____ this service will be removed without further notification from Sumner Cowley Electric Cooperative, Inc. I also understand that I will bear the full cost of replacement to have services built back in to this location if I decide in the future to request electric service at this same service point.
